

# Devon Carers

## What is a Carer's Assessment?

As an unpaid carer supporting family, partner or friends because of their illness, disability or frailty, you may have needs which, without support, can impact on your wellbeing.

All carers are entitled to an assessment under the Care Act 2014.

A Carer's Assessment, either face-to-face or on the phone is a conversation which identifies your needs as a carer, and how these can be met.

**If you would like to make an appointment for an assessment or more information contact Devon Carers on**
